

New “Full-Time” position

At Penn-York Camp!

New for Penn-York Camp for the 1st time ever!

Penn-York Camp is currently seeking applicants to join our ministry team as a **"Full-Time Head Cook"**. This position was recently approved by the board of directors. This is a fully paid, year-round position with lots of opportunities available! As PYC continues to grow and God opens more doors, we have realized that the kitchen needs to grow with us as well. Food is a vital part of **"Camp Life"**. It's a necessity for our physical and spiritual growth, and it continues to open new ministry opportunities everyday! If you or someone you know has a heart to serve Christ, and loves to cook and bake, please contact us. We would love to share more. Even if you're not available full-time, we are always seeking part-time cooks and kitchen help. **God has big plans for this part of camp, are you part of it?**
